

Amendments to the Claims:

This listing of claims will replace all prior versions, and listings, of claims in the application:

Listing of Claims:

Claim 1 (previously presented): A USB device, comprising:
a lookup table in fixed electronically readable medium comprising a plurality of product identification information entries;
an electronically readable index that selects one of said plurality of product identification information entries; and
vendor identification information stored in a location separate from said lookup table.

Claim 2 (original): The USB device of claim 1 wherein said electronically readable index is set by connections on a printed circuit board.

Claim 3 (original): The USB device of claim 1 wherein said electronically readable index is set by jumper connections.

Claim 4 (original): The USB device of claim 1 wherein said electronically readable index is set by the logic state of pins on an integrated circuit wherein those pins on an integrated circuit also have a function different from setting said electronically readable index.

Claim 5 (previously presented): The USB device of claim 1 wherein said electronically readable index is set by connections internal to an integrated circuit also containing said lookup table.

Claim 6 (original): The USB device of claim 1 wherein said vendor identification information comprises a vendor identification number and a vendor identification string.

Claim 7 (previously presented): The USB device of claim 1 wherein said vendor identification information is stored in an electronically readable fixed medium.

Claim 8-13 (canceled)

Claim 14 (previously presented): An apparatus, comprising:
a USB interface;
a lookup table in fixed electronically readable medium supplying product identification information to said USB interface;
means for supplying an index into said lookup table to choose said product identification information from a plurality of product identification information entries;
and
vendor identification information located separate from said lookup table.

Claim 15 (canceled)

Claim 16 (original): The apparatus of claim 14 further comprising vendor identification information in fixed electronically readable medium.

Claim 17 (original): The apparatus of claim 14 wherein said vendor identification information comprises a vendor identification number and a vendor identification string.

Claims 18 and 19 (cancelled)

Claim 20 (previously presented): The USB device of claim 7, wherein said electronically readable medium is read-only-memory.

Claim 21 (cancelled)

Claim 22 (previously presented): The apparatus of claim 14, wherein said vendor identification information is in a fixed electronically readable medium.

Claim 23 (cancelled)
